

Coupon Policy

As part of Countrymart's dedication to providing its customers a quality shopping experience at a low cost, we accept valid coupons according to the following guidelines.

General

- ❖ Expired coupons, photocopied coupons or coupons for items not carried in our store will not be accepted.
- ❖ Valid internet coupons will be accepted. We reserve the right to limit or reject internet coupons.
- ❖ The number of coupons cannot exceed the number of items in the transaction, nor can the value of the coupons exceed the current purchase price of the items in the transaction. If the coupon's value is greater than the current purchase price, no cash back will be given and it will not be applied to the remaining balance of the transaction.
- ❖ Customers must pay sales tax as required by state law.
- ❖ Coupons cannot be exchanged for cash or gift cards.
- ❖ Coupons should have a scannable bar code.
- ❖ Coupons must be redeemed for items indicated on the coupon and presented to the cashier at the time of checkout.
- ❖ We reserve the right to limit the number of coupons.

Double Coupons

- ❖ Manufacturer coupons with a face value of \$1.00 or less will be doubled when customers use their Homeland One Card. Coupons with a face value greater than \$1.00 will be redeemed at face value.
- ❖ Doubling is limited to one like-item coupon per family, per day. Additional like-item coupons will be redeemed at face value.
- ❖ The doubled amount cannot exceed the current purchase price of the merchandise. If the doubled coupon's value is greater than the current purchase price, no cash back will be given and it will not be applied to the remaining balance of the transaction.
- ❖ Carbonated beverages, soda pop, cigarette, beer, retailer, in-store, free-item, and coupons stating "do not double" cannot be doubled.

Multiple Coupons

- ❖ Only one valid manufacturer and one valid Countrymart coupon can be accepted for the purchase of a single item. If the coupons' combined value is greater than the current purchase price, no cash back will be given and it will not be applied to the remaining balance of the transaction.
- ❖ For in-store coupons valued at a flat dollar amount off total purchase, the specified total purchase must be attained after all other coupons and discounts have been applied.

Sale Items

- ❖ Valid coupons are accepted for sale items.
- ❖ The value of the coupon cannot exceed the current purchase price of the item. If the coupon's value is greater than the current purchase price, no cash back will be given and it will not be applied to the remaining balance of the transaction.
- ❖ When items are priced at Buy One Get One FREE, one coupon can be used per item, but the net purchase price cannot fall below \$0.00 for the items when the coupons are applied. Only one applicable coupon can be doubled. If the coupons' combined value is greater than the current purchase price, no cash back will be given and it will not be applied to the remaining balance of the transaction.
